Privileged – Do Not Release

I think Carl and Pam are going to look at this letter now, but I made the following changes in response to Gary's e-mail:

I deleted the reference to EPA taking split samples; I changed the sentence on community relations to read, "The EPA takes the lead on community relations for the site."; and I changed the sentence on who was making presentations at the meetings. Does that address your comments, Gary?

And Valmichael, we added some more information about taking over the removal completion report in another paragraph – please re-read and make sure it's still o.k.

Thanks.
